**Name**

Dudley Parker

**Age**

62

**Occupation**

Retired engineer, now skipper of narrowboat *Our Pol*.

**Favourite album**

*Blonde on Blonde* by Bob Dylan. He's the master of music, as far as I'm concerned. Our Rom took me to see him at the NIA in Birmingham a couple of years ago and I just stood there with my gob open, in proper awe. Magsie can't stand him but she doesn't get much choice when we're on *Our Pol* – it's Bob or nothing!

**Favourite food**

Anything my Magsie makes.

**How would you describe yourself?**

A hoper, a dreamer and a bit of a daft old romantic.

**What do you think about Romily's quest?**

The thing is about our Romily is that she's cut from the same cloth as me. We believe that things are possible, no matter what. I'm so proud of my niece – she's a great kid and I know she'll be happy whatever happens. But Magsie and me are determined to do all we can to help her find this chap. If he makes her even half as happy as my Magsie makes me, I'll be over the moon.
